

Our First Great Sale

Right now, at Thanksgiving, we offer you our First Great Sale. A delay of six weeks in securing possession of the new building, necessarily, deprived us of a large number of sales. While we have done an enormous business since our opening, a handicap of six weeks is hard to overcome and, naturally, we have more Goods on hand at the present time than we should have. For this reason, we inaugurate a Ten Days' Reduction Sale which affects every dept.

Pattern Hats at Half Price

Parisian Model Hats, which were specially imported for our opening occasion, are now offered at one-half their regular prices. We prefer to offer these hats now rather than later on, thus giving customers all the wear possible.

Sale of Pattern Hats

There are just 75 of these model hats to be sold at half price. In considering this reduction, remember that we are direct importers and the regular prices at which we marked these hats are just what other milliners would have to pay for them. The models are by such renowned French designers as Marie Lampke, Celine Ducos, Lichtenstein, Gerhardt, Francois, Joseph, Kurzman, Georgette, Mary Louise and Virot.

Ten \$150.00 Parisian Model Hats, now \$75.00. Fifteen \$75 Parisian Model Hats, now \$37.50.
Fifteen \$125 Parisian Model Hats, now \$62.50. Fourteen \$50 Parisian Model Hats, now \$25.00.
Ten \$100.00 Parisian Model Hats, now \$50.00. Eleven \$40 Parisian Model Hats, now \$20.00.
